

SURREAL POETICS

The resolution of dream and reality into a kind of absolute reality
... a surreality. (Andre Breton, Manifesto of Surrealism, 1924)

In poetry, an image must . . .

**drive a hard bargain between perceived truth and
Truth revealed through the inaccuracy of language.**

~ Matthew W. Schmeer

"DANDELION WHIZZ"

it's happening again

**the high lonesome feeling
I get when she pees**

**a blue streak
to the moon**

**floating on wind
like dandelion fluff
in May.**

~ ABOUT THE POET ~

Matthew W. Schmeer lives in Kansas and is an English Professor at Johnson County Community College in Overland Park, Kansas. His "poetic intuition" is the fevered birth child of memory's one night stand with déjà vu at a Bombay bordello.
